# Prof. Dr. Markus Nauroth - Publikationen

Vithayathil, Joseph; Nauroth, Markus
**The Brave New World of Artificial Intelligence**
Journal of Global Information Technology Management. Bd. 26. H. 4. Informa UK Limited 2023 S. 261 - 268

Kob, Walter; Nauroth, Markus; Sciortino, Francesco
**Quantitative tests of mode-coupling theory for fragile and strong glass formers**
Journal of Non-Crystalline Solids. Bd. 307-310. Elsevier BV 2002 S. 181 - 187

Nauroth, Markus; Kob, Walter
**Quantitative test of the mode-coupling theory of the ideal glass transition for a binary Lennard-Jones system**
Physical Review E. Bd. 55. H. 1. American Physical Society (APS) 1997 S. 657 - 667

Kob, Walter; Andersen, Hans C.
**Testing mode-coupling theory for a supercooled binary Lennard-Jones mixture. II. Intermediate scattering function and dynamic susceptibility**
Physical Review E. Bd. 52. H. 4. American Physical Society (APS) 1995 S. 4134 - 4153
